Project Information

Type: National Environmental Policy Act ironmental Review
Applicant: Blue Ridge Southern Railroad
Project Desc.: Proposal is for the abandonment of approximately 19.1 miles of railroad situated between milepost .07 at Hendersonville in Henderson County and milepost 19.8 at Pisgah Forest near Brevard in Transylvania County.

As a result of this review the following is submitted:

☐ No Comment

☒ Comments Below

☐ Documents Attached

From the information provided it appears portions of the proposed project is in close vicinity of Special Flood Hazard Area (SFHA). Any encroachment, grading, fill or placement of equipment or materials within the SFHA will require a floodplain development permit issued by local community (Transylvania County and/or Henderson County). Please coordinate with the County's Floodplain Administrator for permitting.
The work within the Floodway or Non-Encroachment Area will require a hydraulic analysis to determine the effects on flood levels from the proposed development. Any increase in flood levels during the base flood discharge will require a Conditional Letter of Map Revision (CLOMR) prior to construction. Otherwise, a "No-Rise" certification will be required.
