RE: Docket # 30186

To whom it concerns,

I am a Montana resident who is concerned about the approval of the current draft of the Tongue River Railroad environmental impact statement (EIS). I understand that the public comment period for the EIS ends on June 23, 2015.

I am requesting a 60 day extension of the public comment period. The draft EIS is voluminous and will take concerned citizens longer to study this document in depth. Thank you for your consideration.

Sincerely,

Lynn E Jennings
