2 Pine Avenue, Lake Zurich, Illinois. First a
3 question, my comment is that I hope they don't
4 have to go back to blowing their horns through
5 intersections, through crossings, that there is
6 already enough signs. There is arms. And
7 noise pollution is one of our worst,
8 devastating pollutions. We don't need anymore.
9 They are going to be bad enough. We don't need
10 the whistles too. Other than that, I am firmly
11 against this.
