Re: DOCKET NO. FD 36873 - UNION PACIFIC CORPORATION AND UNION PACIFIC RAILROAD COMPANY- CONTROL -NORFOLK SOUTHERN CORPORATION AND NORFOLK SOUTHERN RAILWAY COMPANY

NOTICE OF INTENT TO PARTICIPATE

Dear Surface Transportation Board,

Pursuant to the procedural schedule adopted by the Surface Transportation Board, the Devens Enterprise Commission (DEC) hereby files this Notice of Intent to Participate in Docket No. FD 36873 (above-referenced proceeding).

The DEC is the regulatory authority that oversees the redevelopment of the Devens Regional Enterprise Zone. Devens borders the rail corridor and is home to an intermodal facility owned and operated by Norfolk Southern (previously Pan Am). We have a number of businesses in Devens with rail spurs connecting to the railway. Devens also relies on the MBTA Fitchburg Line Commuter Rail for transit service in the Devens region, which currently shares the line with Norfolk Southern.

The DEC is also interested as a member of the Fitchburg Line Working Group, a special advisory commission on multimodal transportation established by the Massachusetts Legislature to focus on improving transit service on this line and within the communities it passes through. Regional collaboration and coordination are an important part of this group's mission.

The DEC intends to actively participate as a Party of Record in this matter to monitor, evaluate, and potentially submit comments regarding the impacts of the proposed transaction. All pleadings, decisions, and other correspondence concerning this proceeding should be provided to the following representative:
