SERVICE DATE – LATE RELEASE JUNE 29, 2007

SURFACE TRANSPORTATION BOARD

DECISION

STB Finance Docket No. 28905 (Sub-No. 29)

CSX CORPORATION—CONTROL—CHESSIE SYSTEM, INC.
AND SEABOARD COAST LINE INDUSTRIES, INC.

(Arbitration Review)

Decided: June 29, 2007

On June 13, 2007, the Sheet Metal Workers International Association (SMWIA) filed a petition to review an arbitration award. Concurrently, SMWIA filed a motion asking the Board to waive the 30-page limit prescribed in 49 CFR 1115.2(d) and 1115.8 so that it could file the award and related documents. In a decision served June 20, 2007, the Board granted this request and provided that a reply from the other party to the dispute, CSX Transportation, Inc. (CSXT), would be due 20 days after SMWIA filed its supplemental documents with the Board.

On June 22, 2007, CSXT filed a request asking that the Board extend the due date of its reply to July 24, 2007. Although SMWIA filed its supplemental documents with the Board on June 28, 2007, the carrier notes that the association consents to the extension. CSXT's request is reasonable and will be granted. Accordingly, CSXT's reply is due on July 24, 2007.

It is ordered:

1. CSXT's extension request is granted.
2. CSXT's reply is due on or before July 24, 2007.
3. This decision is effective on its date of service.

By the Board, Vernon A. Williams, Secretary.
