RE: Docket # 35087, CN Purchase of the EJ&E

Dear Ms. Ruston:

As a member of the business community that will be greatly harmed by the number of freight trains that would operate through the region if Canadian National Railway (CN) is allowed to purchase the EJ&E rail line, I urge you to do everything in your power to ensure that the interests of the residents and businesses of our region are protected against the negative impacts of this acquisition.

It is my understanding that the Draft Environmental Impact Study (DEIS) on this transaction will be released shortly. This document will let the region know what we can expect in the way of public protection from your agency. I am very concerned that the business community will be facing significant issues related to public safety, environment, traffic gridlock, emergency response times, and economic losses if this acquisition is approved. None of these issues are being adequately dealt with by the CN, which is why I am asking you to fully address these issues in the EIS.

Additionally, in finalizing the DEIS, please ensure the following two issues are fully and adequately addressed:

- CN's unwillingness to provide freight traffic projections beyond three years (a cut off that precedes the Phase 2 expansion of the major new port served by CN – The Port of Prince Rupert in western Canada). CN needs to provide capacity data and operational projections to 2020 at the very least. If the American Association of Railroads can demand taxpayer investments in rail infrastructure to accommodate a projected growth in rail freight of 88% by 2035, it is inconceivable that the CN cannot quantify its own long range business projections involving the EJ&E.
- Due to the significance of the potential impacts to our communities, businesses, and region, we must ask for a longer review period than 45 days to respond to the

DEIS. Communities need 120 days for a due diligence review that can adequately examine the data used to arrive at the conclusions and respond to the study's findings.

Thank you for your consideration of my request.

Sincerely,

A handwritten signature in black ink, appearing to read 'D. Shorr', with a long horizontal flourish extending to the right.
