Adam – Good afternoon. We appreciate the interest in getting the meetings going, but we would like to request that the first meeting take place after the holidays now. First, the maps are not quite where Texas Materials wants them and the most recent tweaks by HDR will not be available by Tuesday. Second, I am leaving the country on Tuesday for 10 days and would not be able to attend the call in any event. Apologies for not noting that earlier in response to your emails. Hopefully, this works for OEA and VHB.

Regards,

Tom

Hi John and Tom,

Will we be able to get those map files by our meeting on Tuesday, or, if not, can you please let us know when to expect them?

Thanks,

Adam

Hi John and Tom,

Would scheduling our monthly meeting on a Tuesday at 2:00 or 3:00 PM Eastern work for you? I propose the second or third Tuesday of the month, and we can have our first next week or begin after the holidays in January if you prefer.

Additionally, in preparation for early project outreach and inter-agency coordination, can you please provide me with the map files (ideally in KMZ or Shapefile formats) of the alignments depicted in Exhibit A of your Pre-Filing Notice Waiver request letter of October 24?

Thank you,

Adam Assenza
