Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8-25-08

Comments must be submitted by September 30, 2008.

Why would the U.S. Government want to
subsidize a foreign Railroad to make
them more profitable at the expense
of U.S. Railroads and American
Taxpayers?

Seems like a no-brain decision
to be made.

The only benefit to be derived is
on behalf of the Canadian National
Railway.
