Environmental Impact Statement

Comment Form

Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: Sept. 4, 2008

Comments must be submitted by September 30, 2008.

We oppose the Canadian National Railway's proposed purchase of the EQ & E Railroad because of our environmental deep concerns.

Our residence is located on Hawley Wood Road, parallel to the EQ & E Railroad tracks.

It always concerned us regarding the grade elevation of the track and the results of rain water holding in areas that promote algae, mosquito migration and decaying dead trees.

The prospect of more train traffic will ultimately increase the possibility and fear of additional contamination of our natural habitat. The water we drink is from a well and the water in our lake must be the health concern of all home owners in the Barrington community.

Please stop this acquisition and help us in this effort.

YOUR INPUT IS IMPORTANT!
