I have purchased my home in 2000, knowing it was located close to EJE tracks. I was told the number of trains passing by was very small, I can't imagine if STB approved CN purchase of EJE what would happen to my sanity and the value of my home. I live by Montgomery Road/eje tracks and the traffic is extremely heavy now. Pls do not approve this deal. The increased noise,vibrations, blowing horns,pollution would make many of us "ill" I can't sleep thinking about this. PLS DO NOT APPROVE. THANK YOU FOR LISTENING
