Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

CN | EJ&E

Environmental Impact Statement

Date: 8/27/08

Comments must be submitted by September 30, 2008.

The acquisition of EJ+E will seriously impact the ability of emergency vehicles to reach injured persons and transport them to area hospitals. Minutes can often mean the difference between whether someone lives or dies.

Our school busses cross these tracks multiple times per day. All schedules will be negatively impacted.

I am vehemently opposed to this acquisition!

YOUR INPUT IS IMPORTANT!
