Re: Canadian National Railroad

I am writing to you today opposing the CN railroad coming through New Lenox. I live on the very South end of town between Cedar and Nelson off of Delaney. This means I will hear whistles all through the night with my windows open, which I like to do. Also will be late taking and picking up grandkids from school busses which they live on the North end of town off of Francis Road. I left South Holland 2 years ago and one of my reasons was the trains, I was late for everything, I had to cross to sets of tracks. I wasted 8 hours a week being delayed by trains. If this happens in New Lenox it will make me very sad and I will be thinking of moving out. I hate being stopped by a train. Please do not approve this to go through New Lenox.

Sincerely,

George & Judith Graske
