1 MR. LARRY GREENBERG: I'm against

2 the sale of the EJ&E mainly for reasons of
3 the fire, police protection, ambulance
4 assistance.

5 The population in Harbor
6 Springs, my neighborhood, is not going to
7 be young forever and, you know, there's
8 going to be incidents and, you know, people
9 are going to need emergency services.

10 I'm also concerned about the
11 additional noise and the increased traffic.
12 That's it.
