Please provide any comments on the DM&E Powder River Basin Expansion Project Draft EIS.

The proposed route (ms) would destroy
 precious lands and disrupt the
~~living~~ community of Skyline. We are the
 third generation to build a family in
 the village of Skyline. The railroad would
 prevent any hopes and dreams of
 our children growing up in a safe,
 quiet neighborhood like I did. The
 negative impact of the railroad,
 including noise and environmental
 pollution, would ruin the
 quality of living in Skyline.
