Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

I am only 13 years-old and know
and worry about the congestion. With
it I will probably be late for school
and other activities. It will cause more
traffic and more accidents which leads
me to safety have an ambulance
supposed to get through when there
are always trains we've already had
a couple accidents within the past
year. Or so caused by trains and that
will just increase.
