Comment Form

Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: Aug 27-08

Comments must be submitted by September 30, 2008.

This Acquisition should not be allowed
it is wrong for the community in so
many ways, the safety of the crossing
for emergency vehicles, buses, and the
congestion in the town. The fact of who
will pay for any construction that
would be necessary to build additional
fire and emergency so not in order to
have to cross the tracks. There would
need to have these cost passed on to
the taxpayer?
this is all wrong!!

YOUR INPUT IS IMPORTANT!
