2 I also have a summer home up in Delavan.
3 There are exempt tracks 50 miles up from
4 these tracks, exactly 50 miles away, that
5 are exempt. They run through Delavan and
6 Elkhorn and through farm land that would
7 not affect so many people. why couldn't
8 they buy these tracks and extend them to
9 where they want to extend them and leave
10 the suburbs, all these populated areas
11 alone. It would be cheaper for them to buy
12 farm land and they are exempt. They're out
13 there. I don't know how far they go, I
14 don't know how much further they go or
15 where they go, but I'm sure they could
16 connect them in. I think it's the Southern
17 Wisconsin that should be checked into.
