Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: Aug. 27, 2008

I live near the railroad and I would not appreciate the increase in trains passing by - "Noise"

the traffic is terrible now here in Barrington the increase in traffic would be horrendous.

Another issue - Safety - Fire dept. delay - Getting to the hospital could be a problem.

I am definitely against this.
