

Environmental Impact Statement

Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

7
Date: 8/27/08

I am a resident of Barrington, IL. A mother of four children who is very concerned about their safety.

The number of trains that will be crossing through our small village - will greatly affect not only their safety, but the traffic which will delay school buses, & lengthen their commute to & from school.

I would hope that EIT & E. ~~Office~~ would please consider the Children
