Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

I object to the proposed railway acquisition.

This proposal has a significant negative impact on
the Village of Bangor and surrounding areas.

This is a major safety concern for emergency
vehicles. This will be a state.

Further, traffic congestion is bad enough already.

The proposed acquisition should not
be approved for the above reasons and for
all other reasons stated this evening.
