To Whom It May Concern,

My name is Paul Hoffman. My family & I reside in the Sandalwood Estates Subdivision, we live on Tea Tree Lane. There needs to be some sort of vibration barrier. ~~With~~ With the increase of train traffic the ~~trains~~ trains are causing much settling and my walls are cracking in every room of my home. There are just too many TRAINS!! There should be a 10-12 brick wall built behind the homes on Tea Tree Lane. The trains are quite LOUD!! My family and I would not have bought this house if we had any idea this ~~was~~ would happen. We also have children who can no longer play in the back yard because of the trains. My family and neighbors feel that the chemicals transported cause a potential hazard. For the record we don't want the sale to proceed any ~~more~~ further. We ~~won't~~ won't be residing here if the sale goes thru. We vote ~~NO~~ NO to the sale of the EJE Railway!!!
