080128 Selk

Hello, my name is Rick Selk. I want to get added to the mailing list on the project for updates. I also need to find out where the comment form is online that is supposed to be filled out. I cannot locate it. I know what the docket number is but it's asking for letters instead of numbers. I know that the number is 35087 and this starts off with letters and I'd like to be able to fill this thing out online if I could. So, my phone number is area code 630-881-9669. Thank you very much.
