How will CN's proposed acquisition of the EJ&E impact you?

I am apposed to the acquisition and increase
in road traffic for every reason.

My neighborhood backs up to the EJ&E
so I knew full well of the occasion
trains coming through and I accept that.
The acquisition would diminish the
quality of life in all ways including
the obvious of loud noise or
significant traffic congestion. I
am greatly concerned about the
blocking of emergency services.
Ultimately property value will be
affected without question and for
good reason.
