Environmental Impact Statement

Comment Form

Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: Aug 27, 2008

Comments must be submitted by September 30, 2008.

The information provided by CN R.R. has been
biased to their favor unsubstantiated & false.
Facts have been withheld & manipulated.
This is not a responsible act by CN.R.R.
Upon review of the facts:

1) This is a loss of security

2) This creates a dangerous environment

3) Safety is compromised

4) Health is at risk

5) Children are jeopardized

6) Suffice is compromised

7) Environment endangered.

8) Protection is compromised

9) Cost is prohibitive for homeowners

10) The railroad should take responsibility
for improvements & absorb the costs.

I do not support this agreement and
totally opposed & live in fear of what
negative impact it will have on the
community I've lived in for 30 years.
This is not a win/win situation but
one sided for the profit of a foreign
company. It brings nothing to the table

YOUR INPUT IS IMPORTANT!
