Address 2					
City	New Lennox	State	IL	Zip	60451

Transcript:

I'm calling because I oppose the railway acquisition. I live in New Lennox and the main reason being is with the growth of actually the two new schools in both Frankfurt and New Lennox, the high schools, it would be a tragic consequence for the railway to come through there. Based on the congestion of the traffic as well as the increased number of individuals that will be moving into the area. So again I oppose the Canadian National Acquisition.
