Address	5221 West 121 st Street				
Address 2					
City	Alsip	State	IL	Zip	60803

Transcript:

I am opposing the railroad, I don't think we need a railroad like that going through our city/towns. We are looking to moving out towards the Frankfurt area, and that was something that would definitely cause us not to move out in that direction. I think there's better options that need to be reviewed. Thank you for you time.
