Re: *Kansas & Oklahoma Railroad, LLC – Acquisition Exemption – Central Kansas Railway, LLC, FD 34030*

Pursuant to discussion on Monday afternoon with counsel for Weskan Grain LLC (“Weskan”), the undersigned, on behalf of Kansas & Oklahoma Railroad, LLC (“K&O”), has agreed to accept service of Weskan’s motion for disclosure and its combined petition to reopen and to partially revoke (each filed in the above-referenced docket) as of December 2, 2024. Further, pursuant to that same discussion, the parties have agreed, going forward, that the deadlines to respond to each of the two Weskan pleadings will be measured from the agreed-upon December 2, 2024 service date.

The undersigned counsel also today has consulted with counsel for Union Pacific Railroad Company (“UP”), the owner of the railroad line segment that is the subject of the present proceeding. UP’s counsel has indicated that it anticipates that it may file a separate expression in response to the petition for disclosure on or before Friday of this week in keeping with the December 2, 2024 service date accommodation as between Weskan and K&O.

K&O has vetted this filing with counsel for Weskan and UP, and has been advised that Weskan and UP each has consented to the arrangement set forth above (and, in turn, with the representations contained herein).

Respectfully submitted,

/s/ *R. A. Wimbish*
