Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

The proposal for increased trains will dramatically impact traffic in Barrington and more importantly impact property values in the town and surrounding areas.

As it stands now, the rail schedules already create traffic backups, the proposed increase would be a "disaster".
