How will CN's proposed acquisition of the EJ&E impact you?

- noise level - despite quiet zones, engines blow the horn
- environmental issues, soil pollution
- safety for crossings, especially nearby Cuba Marsh activities
- decrease in property values
- congestion
- increase in traffic and commute time
- increase in freight traffic brings increase in crime
- replacement of outside leisure activities
- damage to houses caused by vibrations
- will necessitate increase in public funding thus raising taxes
