Port MacKenzie Rail Extension Project
Environmental Impact Statement

COMMENT FORM

Your input is an important element in the Draft Environmental Impact Statement phase of this project. To help us incorporate your views and suggestions, please provide your comments below and mail them to the address preprinted on the back of this form. Please write legibly. You may attach additional sheets if necessary. Alternatively, you may submit your comments online at STB's Web site (<http://www.stb.dot.gov/>) by clicking on "E-Filing" and selecting "Environmental Comments" or by mailing a comment letter to the address provided on the back of this form.

Please include your name and address so that we can add you to our mailing list if you would like to receive subsequent information on the project. Thank you for taking the time to provide us with your comments.

Full Name:	Daniel N. RUSSELL

What comments do you have about the Draft Environmental Impact Statement?

If a commuter train is incorporated into the project to bring people to the new Ferry boat, my/ Susitna, then ~~you~~ much greater support from the local community will arise.

I support the "Mac-East-to-Houston North" route, as it seems to provide the most direct connection with the existing rail line, and because the commuting time to the Ferry boat terminal will be minimized.
