How will CN's proposed acquisition of the EJ&E impact you?

Since the railroad cuts through LZ a few times, it will effect us daily. Our children attend school on the other side of the tracks. Our doctors and hospital is also on the other side of the tracks. Grocery stores and banks also. We endured almost 2 years of bypass road construction causing businesses to close. Waiting to cross tracks due to train traffic will cause even more headaches + pissed off drivers + safety issues with school buses, emergency vehicles. We are against this proposal!
