STB Finance Docket No. 35087

Date: 8-27-08

I am very concerned that ~~these~~ additional trains will negatively affect Barrington in the following ways:

- Delays in traffic
- Delays in ~~cars~~ ambulances getting to ill people and to the hospital - result in ↑ deaths
- Delays in fire trucks getting to emergencies resulting in additional property damage, more serious injuries and loss of life.
- Dangerous railroad crossings where school children cross the tracks ~~every~~ day and may not be as vigilant as they should
- Loss of business due to gridlock traffic
