Decision No. 6

Decided:

In Decision No. 5, served September 26, 2025, the Board invited comments by October 16, 2025, on a proposed procedural schedule to govern this proceeding. However, by decision served in Docket No. EP 751 on October 1, 2025, all deadlines for the submission of pleadings, filings, comments (including environmental comments) and other material due to be submitted during the pendency of the Federal government shutdown that began that day were tolled.

The shutdown now having concluded, comments on the proposed procedural schedule will be due November 20, 2025. See Materials Due to be Submitted During the Federal Government Shutdown, EP 751 (STB served Nov. 13, 2025).

Materials submitted during the shutdown should not be resubmitted. All filings submitted during the shutdown will be considered filed on November 13, 2025, provided all filing requirements have been met.

It is ordered:

1. Comments on the Board's proposed procedural schedule are due by November 20, 2025.
2. This decision is effective on its service date.

By the Board, Scott M. Zimmerman, Acting Chief Counsel, Office of Chief Counsel.
