My comment is that we do not want this acquisition. We have seniors that have to get to the hospital on Brigg Street who use the Galger and Cedar Roads and to be held up for thirty minutes, even for the EMTs and the ambulances, is not what we want. We don't want thirty trains going through. If they don't want them up in Buffalo Grove, etc in the northern suburbs, we don't want it down here. Stay where you are and we'll be happy. Thank you
