My primary concern with the CN purchase of EJ&E is the subsequent dramatic increase in traffic over the former EJE. The dynamic growth in southern Will county coupled with the proposed expansion of Harlem ave. and Ridgeland are from two to four lanes from Route 30 to Steger road presages commercial & residential traffic delays. Overpasses over the EJE at these two critical and growing areas is mandatory! Complaints from residents & commercial interests will be a constant unless CN addresses this issue up front!
