Message: I strongly oppose the CN acquisition of EJ & E railroad. I live next to this rail line and travel many of the routes that will be affected by the increase in daily trains. My children will also be bused to the high school directly across the tracks and there are no bridges to bypass the train tracks. I also work on the other side of the tracks and my daily commute will be affected. I realize this is a business transaction for CN, however, the trains will roar into the affected communities like a tornado, wreak havoc, and the residents will have to pick up the pieces without any assistance!
