Environmental Impact Statement

Comment Form

Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8-27-08

Comments must be submitted by September 30, 2008.

A successful town should balance
people and trains. BARRINGTON
has commuter trains adding
freight trains will send the
balance off, with trains winning
and people losing. LIVES will
be lost waiting for trains instead
of getting quick medical help.
Businesses will lose because
traffic will defer business
to other communities.

YOUR INPUT IS IMPORTANT!
