I call to speak in support of the Financance Docket item FD-35087. My town of Worth is surrounded by train tracks, we are fourtunate to have one overpass on Harlem Avenue that helps us greatly, but in our neighboring towns of Chicago Ridge and Oak Lawn where my ambulances must travel to, to take patients to hospitals at Oak Lawn, specifically Christ Community Hospital on 95th and Cosner. This train merger would allow Chicago Ridge and Oak Lawn to have almost 9 less trains, 8.6 they say, I'm sure, you can't have a .6 train, but between 8 and 9 trains less per day, that's a significant change and we have impact with this on both Ridgeland and on Central Avenues. So, I wanted to voice my support, my Village Hall number here is 708-923-3740.
