1 MS. BRADLEY: Margo Bradley, I just
Page 1

2 wanted to say that I have a four and
3 two-year-old child. And I just am concerned
4 about the possibility of having congestion in
5 order to get to the hospital. We need to cross
6 over one of the crossroads in order to get to
7 the hospital. And if there is an emergency, I
8 am concerned about the safety.

9 Also, if there are any mothers that
10 might be expecting a baby, it's the same
11 situation. And I am just disappointed because
12 I feel this has been forced upon our community.
