630-629-0859 is my phone number. I want to know why the following items are missing from the Draft EIS: Why are is the Draft EIS minus the uh hazardous car counts that will be increased <indiscernible> at Bartlett, why are those missing? Why are the uh maps missing in the EIS document that I have missing the decibel ratings and the uh and the vibration section is missing out of my maps, they're only on the maps you have, you have em at your environmental hearing, how come? I want to know why, and I want a set of those maps. I want a set of the maps previous to uh June of, I want a set from the January hearing and I want a set of the maps that are used were used in February and I want a set of these maps as of September when you're done with them sent to me. I want to know why we have things missing. Thank you. Call me!
