I am calling to ask that you approve the CN purchase of the EJ&E, in order to re-route the freight traffic. I commute into the city and uh and the freight trains are the concern, I'm often uh miss a commuter train because of the delays of freight trains, so I need to leave much earlier than normal to avoid that. I would, I am just voting to approve the purchase of the CN. My phone number at home is 708-895-4021 and my work number is 312-244-6749. Thank you.
