Too many impacts for such a wonderful community!

#1 - SAFETY! Our people, our children, school buses, walking students, teens.

We just spent \$40 million building a gorgeous new park & now to run a train through the middle 20+ times a day! No doubt children will lose lives playing near these trains! The enjoyment will be rendered as well - it doesn't make sense!

#2 TRAFFIC/CONGESTION/BUSINESSES & LIFE - How will THE COMMUNITY & OUTSIDE COMMUNITIES MOVE THROUGH town with 20+ trains a day? Businesses are bound to go down & the tubes not to mention the noise, pollution & traffic jams this will create!

Home value - Our wonderful, desirable homes & neighborhoods are going to lose such value! Who would want to move to live in a town where 20+ trains run through it a day?

YOUR INPUT IS IMPORTANT!
