Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 27 August 2008

Comments must be submitted by September 30, 2008.

This proposal jeopardizes the very fabric of one of the few remaining Chicago Metro suburbs that offers open space and tranquility. Barrington & Barrington Hills have fought for over 60 years to provide an area for open, beautiful space. For you to consider this proposal so insistently suggests that you could care less about preserving a true treasure. Keep/put your trains where congestion & sprawl has already gotten out of control.

Do Not do this.
