080108 Engelmann

Hello, my name is Pamela Engelmann and I'm just calling to talk about the proposed CN acquisition for the railroad, Joliet Eastern railroad. Anyway, I am voicing my concern about the public safety, um, for children and in the area along Cuba Rd. and Lake Zurich Rd. Um, there are two parks just in that one mile radius that as a family we frequent and if you move a little further up along the track is a third park where hundreds and hundreds of families that (bad connection) those parks that are be affected by the train. And I'm just, my concern is (bad connection) be that parks. . . (Call lost)
