Re: Docket No. FD 36472, *CSX Corporation and CSX Transportation, Inc.-Control and Merger-Pan Am Systems, Inc., et al.*

Dear Ms. Brown:

I am Fred Bush, Production Support Manager with Greif, located at 861 Fibre Plant Road Gladstone, VA 24553.

Greif, Inc is a global leader in industrial packaging products. The company is strategically positioned with 290 operating locations in 43 countries to serve global as well as regional customers. We use the Springfield Terminal Railroad Company ("Springfield Terminal") to originate and terminate traffic for movements within and outside of New England. The merger of Springfield Terminal into CSX Transportation, Inc.

Greif looks forward to the improved service that we will receive from CSXT following the approval by the Surface Transportation Board (the "Board") of the merger of Springfield Terminal into CSXT. Greif welcomes the level of infrastructure investment that CSXT has deemed necessary over the past several years in order to implement its dynamic operating model that has resulted in CSXT setting new standards of service performance with higher velocity, faster equipment turns, and greater consistency. We also look forward to availing ourselves of the unprecedented visibility into our supply chain through the ShipCSX platform that will enable us to track and manage our shipments with much greater precision and confidence.

Greif will explore and implement new supply chain solutions and market opportunities with the CSXT Sales and Marketing team. We expect to enhance our competitiveness through lower costs, better service and improved access to the North American rail network through single-line CSXT best-in-class rail service.

Greif supports the proposed merger and requests that the Board expeditiously approve the acquisition of Pan Am Systems and its subsidiaries by CSXT.

Sincerely yours,

Cc: CSX Transportation, Inc.
