Re: Finance Docket No. 36496, *Application of the National Railroad Passenger Corp. Under 49 U.S.C. § 24308(e) – CSX Transportation, Inc. and Norfolk Southern*

Dear Counsel:

We are writing in response to your November 1, 2021 letter regarding certain documents that CSX Transportation, Inc. (“CSXT”) produced on September 10, 2021. In response to your question about these RTC-related files, attached to this letter is a chart that provides the custodian, folder path, and a brief description of the contents of the folder.

You also asked about CSX_AmtrakGC_0028947. These stringlines originated from HDR Engineering, Inc. CSXT has provided RTC files for the 2016 HDR Model dated August 9, 2016, which can be found at CSX_AmtrakGC_0013605 – CSX_AmtrakGC_0013677. However, because HDR generated these stringlines, CSXT has no way of verifying precisely which seed(s) from the 2016 RTC Model were used to generate these stringlines.

Sincerely

/s/ Matthew J. Warren

Matthew J. Warren

Enclosure

*The gray rows represent the bates ranges identified in Amtrak's November 1, 2021 letter. CSXT's responses follow below each gray row.
