Re: **Unopposed** Request for Extension of Time, FD No. 36511,
Waste Management of Washington, Inc. and Waste Management
Disposal Services of Oregon, Inc. – Petition for Declaratory Order

Dear Ms. Brown:

Our firm has been retained by Waste Connections, Inc., together with its wholly-owned subsidiary, Murrey's Disposal Company, Inc. (jointly, "Waste Connections"), to represent its interests in opposing the Petition for Declaratory Order ("Petition") that Waste Management of Washington, Inc. and Waste Management Disposal Services of Oregon, Inc. (jointly, "Waste Management") filed in the above-captioned proceeding on May 5, 2021.

Waste Connections' reply to Waste Management's Petition would normally be due on Tuesday, May 25, 2021. Waste Connections respectfully requests a ten-day extension, through June 4, 2021. Counsel for Waste Management has graciously stated they do not oppose the requested extension. Moreover, granting the requested unopposed extension should not adversely impact any other member of the public.

Accordingly, Waste Connections respectfully requests the Board grant its unopposed request for an extension through June 4, 2021, to file its reply to Waste Management's Petition.
