Re: Docket Number 35087

Dear STB:

The Champaign County Economic Development Corporation is committed to nourishing a healthy atmosphere for business growth and socio-economic development in Champaign County. Any railroad transaction that would hinder or halt Southern Illinois service of Amtrak to Chicago could have considerable economic fall-out for Champaign County and the state as a whole.

The Champaign County EDC requests to henceforth be considered a Party of Record in this STB proceeding.

Yours truly,

Erik Kotewa
Deputy Director
