Comment Form

Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8-27-08

Comments must be submitted by September 30, 2008.

I strongly oppose the CN-EJ&E acquisition. The increased rail traffic along the EJ&E would be terrible for numerous reasons:

- Each freight train would Block all 4 crossing streets in Barrington
- Long delays to get to the high school, hospital, etc.
- Teenage drivers trying to avoid the rail traffic
- Emergency vehicles stopped at train tracks...

Stop this acquisition to save our community from polluted air too.

Thank you!
