Hi. My name is Cathy Major. I'm calling from Naperville and my phone number is 630-536-8445 and I'm calling regarding this CN acquisition that is supposed to impact the train traffic that is going to be close to our homes and our schools and I have serious, serious problems with the proximity to our neighborhood as well as to where our children attend elementary school. It's just yards; a couple hundred yards from the train tracks and I think it's going to significantly impact us as a community. I also request that there is a meeting in Naperville so that you can hear our complaints first hand but I strongly, strongly urge that this is not something that is moved forward with and that you allow the residents of Naperville to voice their concerns in a meeting held in our neighborhood or in our town. Again, my name is Cathy Major. 630-536-8445 and my address is 5339 Bamboo Lane in Naperville. Thank you very much and hopefully this is the information that you need to move something forward for setting up a meeting for us as a community. Bye-bye.
